Emily's commitment to excellence inspires leaders and teams to achieve their highest potential.

~Sabrina Permuth, Director of Human Resources, Florida State Fair Authority

The greatest value I received from the Leadership Circle Profile 360 and Emily's coaching is a greater understanding of the key behaviors that lead to high-achievement and effective leadership as well as the inner assumptions that limit effectiveness, authentic expression, and empowering leadership.

~Meg Belamy, Executive Director, Catapult

Working with Emily is one of the best decisions I have ever made.

~Alan Rolette, Freelance Photographer and Owner of RiverHorse Photography

Participating in Emily's workshops, retreats and coaching has created greater clarity around what I most want to accomplish, generated impactful results, and compelled me to make courageous decisions and act upon them.

~Courtney Paat, State Farm Agent

Reflecting on our retreat weekend together, I continue to marvel at the clarity I feel after experiencing what I like to call the "Crooked Lake Magic."
